

It's December and we are launching our 2015 Christmas Food Bank Appeal.

If you are going food shopping over the next few weeks, please buy a little extra and donate it to our Food Bank appeal. Suggested items are on the poster below. You can drop the food in at our office on Ripley Market Place (next to the Thorn Tree pub) and we will distribute your items to people less fortunate than ourselves at Christmas, through the Food Banks we help support.

Last year, we were totally overwhelmed with the generous donations many of you made. You really helped make a difference to people less fortunate than ourselves. We would like your support in doing that again this Christmas time.

Please mention this to your friends and family too. Thank you in advance.

Christmas Food Appeal

Amber Valley CVS are making a Christmas Appeal for food and seasonal items as gifts...

to members of the community in need, particularly those in Alfreton, Somercotes, Ironville and Langley Mill, including those known to us through our Befriending and Help at Home service.

Donations will go to St Andrew's Food Bank, Langley Mill, as well as reaching those areas where there is no provision in Alfreton, Somercotes and Ironville.

Thank you for your support.

To give a little happiness at Christmas time call:
