Who is Help at Home here to support?

Our aim is to enable people from Amber Valley and Erewash to live independently in their homes. We carry out tasks which many of us have undertaken in the past but are no longer able to do because of age, disability or illness.

Why choose us? *"I now find it extremely difficult to do the cleaning and ironing at home and I am no longer able to do the gardening. I have been using the Help at Home service for over four years and it is fantastic".*

All our workers are paid and police checked. They have received a comprehensive induction covering such topics as moving and handling, health & safety as well as a specific ongoing training plan. You can have the same worker each week and we operate the service 52 weeks of the year.
